

Attevo expands U.S. presence with addition of Charlotte, NC firm

Cleveland, Ohio – 27 May, 2009

The consulting team of Solomon Technology Group joins Attevo to expand our reach in the United States while also extending Attevo's Microsoft and Oracle capabilities for client solutions. With well-known clients in industries such as health care, manufacturing, banking, retail and telecommunications, the addition of Solomon Technology Group allows Attevo to further strengthen our offerings in business intelligence, visual analytics and information strategy.

The terms of the agreement are confidential.

About Attevo

Attevo is a global business and information technology consulting firm which enables entities around the world to become more productive and sustainable through business process optimization, enterprise solutions and integration services.
