

## Attevo expands its Microsoft expertise with perfect score

**July 2008**

As part of the continuing commitment to provide clients with innovative and results-driven solutions, Attevo has extended the solutions it offers to include those specifically delivered on the Microsoft technology stack.

In doing so, Attevo continues to expand its expertise by adding the Microsoft Dynamics CRM tool as another member of Attevo's Microsoft practice. Attevo has received a perfect score on its Microsoft Dynamics CRM certification exams.

In addition to providing a complimentary service to its existing portfolio of technologies and business solutions, Attevo sees the significant benefits and value that Microsoft-based solutions can bring to both existing and future clients.

Attevo's solutions integrate with current business processes and maximize existing investment in enterprise systems. Attevo builds on Microsoft's platform and application technologies to empower people in their contribution to their organization.
